

## **WSRRA Steer Stopping**

**Similar to breakaway Roping, the contestant will exit the chute and rope a steer with a legal head catch, dally on a slick horn, stop and face the steer. Time stops when the steer is facing the horse on a tight rope. A 10- second penalty will be assessed for breaking the barrier.**

**Tie downs are legal in the Steer Stopping.**

**\*\*WSRRA Rules of Conduct will be enforced at all WSRRA Sanctioned Events.\*\***
